6	Is your school linked to a University and therefore entitled to give credits? If yes, how many ECTS credits (e.g. 1 ECTS ² = 25-30 hours)?				
	The school is linked to the Technical University of Berlin where it is equivalent to 3 teaching hours a week for one semester (15 weeks), thus it is probably equivalent to 2 credits				
7	Do you manage an alumni data base to follow-up former students? If yes, please tell us about the actions you take.				
	We do not have an alumni data base to follow-up former students, advice on how to do this would be appreciated				
8	Please detail your analysis of the students' satisfaction survey and attach the zip file of all questionnaires received.				
	81% of the students stated that the lectures were at the right level and 95% gave a positive evaluation of the practicals (see attached individual questionnaires and their evaluation).
